Go 2 Garden

Sweet Readers

Home Sweet Home

An author once wrote, "Your home should tell the story of who you are and be a collection of what you love, brought under one roof." At The Greens, we very much stand by this sentiment. As the warm weather greets us kindly, and the doors to our garden and patio open up, we are honored to open our front doors to you on May 19th. Our annual Open House is an event that we always look forward to, where we showcase The Greens' unique personality, reflecting all of our wonderful residents, and our own "collection" of what we love.

As part of the Open House, we will have an art show presenting a curated collection of artwork that the residents have created throughout the year. The pieces chosen will display the variety of art groups we offer, including Art Therapy with Rachael, Art Therapy with Debbie, Photography Club with Sharon, and Open Art Studio with The Greens' programming staff. Through viewing the artwork, as well as our garden-which the residents lend a hand in cultivating-you

will get a glimpse into our world of creativity, expression, and shared appreciation for aesthetics.

The idea of "home" also includes the little things: the way people greet each other; the pictures that cover the walls; the stories recited by and about the people who live here; and the way the food being cooked fills the spaces with delicious scents. Come and enjoy the hors d'oeuvres and pastries, along with a glass of wine or refreshing sangria. Our chefs will be preparing delicious tidbits in our beautiful garden while you listen to music and take a stroll.

Your presence at our Open House will add to the richness of our community. We are looking forward to seeing you on May 19th, from 4-7pm, to join us in celebrating our home and residents!
