Meet MaryEllen Frango

The Greens at Greenwich is excited to introduce our new Executive Director, MaryEllen Frango! MaryEllen has been part of The Greens family for almost four years in various roles. The past year and a half she has worked at The Greens as the Regional Director for Sales and Marketing. While the Executive Director title is new, her presence in the community is not. MaryEllen stated, "I am grateful for the opportunity to lead the team and partner with our families to continue The Greens' mission of offering quality care and exceptional experiences to those with memory impairment. Senior Care is my calling, not a job. It's my privilege to walk this journey with families and provide a safe, loving, supportive environment for them and their loved one."

A true dog lover, MaryEllen is the proud "mom" to three beautiful German Shepherds who keep her busy and bring her endless joy. Family is at the heart of her life, and she cherishes time spent with her mother, husband, two adult children, and girlfriends. Whether she's at home or away, her loved ones are her top priority.

Living by the beach, MaryEllen embraces coastal life to the fullest, enjoying peaceful walks along the shore in any weather. Her adventurous spirit doesn't stop at the water's edge, though. MaryEllen is an avid traveler who has explored many corners of the world. Italy holds a special place in her heart as her favorite destination, with London, England, coming in as a close second.

MaryEllen's love for connecting with people shines through in her passion for entertaining. Though she's not a fan of cooking, she delights in creating special moments and memories with friends and family. She also has a sweet tooth and enjoys indulging in delicious desserts whenever the opportunity arises.

All families are encouraged to call MaryEllen on her personal phone for quick access to answers and support. They will often see her joining in on activities and visiting with residents. Please join us in giving a warm welcome to MaryEllen Frango! We're thrilled to have her as part of our community.
